## WHAT IS THE COST OF THIS?

Typically we would charge £4,000. However, this fee is calculated for estates where:

- There is a valid will
- There are no claims made against the estate
- There is no more than one property
- All the assets are based in the UK
- There are 1-2 beneficiaries
- There are no more than 3 bank or building society accounts
- There are no disputes between beneficiaries on division of assets. If disputes arise this is likely to lead to an increase in costs
- There are no other intangible assets
- There is no inheritance tax payable and the executors do not need to submit a full account to HMRC

On average, estates that fall within this range are dealt with within 3-6 months. Typically, obtaining the grant of probate takes 4-8 weeks. Collecting assets then follows, which can take between 4-8 weeks. Once this has been done, we can distribute the assets, which normally takes 4-8 weeks.

## BREAKDOWN OF COSTS

- Legal fees £4,000
- VAT on legal fees £800
